# Tribute game close to home

**FOR** Wes Errey, playing in the David Hookes Tribute Series means so much more.

He found out a few months ago that his mum has to undergo a kidney operation.

Errey is the Tigers Cricket Club captain who will play at the match at Bruce Purser Reserve, Kellyville, on October 30.

"These matches have become very meaningful to my family," he said.

"I signed up to play months ago because it's an important cause.

"We've since learned that my mum Ellen needs a kidney transplant and I'll now be playing to support her and the Australian Transplant Cricket Team."

The Tigers will be joined by the North West Sydney Hurricanes for the match.
